

SPONSORS NEEDED!

3rd annual Night of 1,000 Pumpkins

October 28 - Historic Sutter Street - Folsom CA

Night of 1,000 Pumpkins is an annual event held in Historic Sutter Street in Folsom, California. Our goal is to attract more than 1,000 carved jack-o-lanterns in our historic district.

Every carved jack-o-lantern will get a raffle ticket where they can win prizes from sponsors. We are hoping to give away lots of prizes to attract more pumpkins on the street!

In addition to prizes, we will be donating money to schools who bring in jack-o-lanterns as well. We are accepting "per pumpkin" pledges as well as flat denominations - *all money raised will go to schools.*

Will you consider donating to this great event? With your donation, we'll include your business on all promotional materials like t-shirts and fliers, and we will link you off of our website.

- I am interested in donating _____ per pumpkin brought by schools
- I will sponsor \$ _____ which will go directly to schools
- I will donate the following for the pumpkin raffle:

Please mail this form to:
